POSTGRADUATE PROGRAMS

Programs taught in French and in English
Programs Taught in French and English

➢ This procedure is mandatory for all students who wish to study in France at this level.

➢ All students require a DELF B2 or DALF C1 in order to qualify to apply to courses taught in French which are available in public universities in France.

➢ You can select up to 7 requests.

➢ All applications should be about the same field of studies, the criteria "Program - track" and "Spécialité - Mention" must be identical for all requests. Only the institutions should be different.

➢ Make sure to properly compose an appropriate motivation letter for each school explaining in details why you wish to study there, your expectations from the program and your career goals.

➢ Note that some schools might not be “connected to the platform and you will need an additional application outside of the platform. Usually, you will be required to apply also on the school website.

➢ In the case of requiring an additional admission, please contact the school for information on how to apply.
BACHELOR PROGRAMS
Programs taught in French and in English
The "Demande d'Admission Préalable - DAP" (preliminary request for admission) applies to all foreign students wishing to enrol in the first year of Bachelor's at a university or in a school of architecture.

This procedure is mandatory for all students who wish to study in France at this level.

All students require a minimum of DELF B2 in order to qualify to apply to courses taught in French which are available in public universities in France.

The "DAP Blanche" are for students who wish to enroll in courses offered in universities. Applicants can select up to 3 universities.

All applications should be about the same field of studies, the criteria "Program - track " and " Spécialité - Mention " must be identical for all requests. Only the institutions can be different.
 programas taught in French (DAP)

➢ Prioritize your requests. If your first choice is not accepted, your application will be transmitted to your 2nd choice, which will be transmitted to your 3rd choice if you are not accepted.

➢ The “DAP Jaune” are for students who wish to enroll in architectural programs. Applicants can select up to 2 programs for the same type of diploma.

➢ Prioritize your requests. If your first choice is not accepted, your application will be transmitted to your 2nd choice.

➢ Make sure to properly compose an appropriate motivation letter for each school explaining in details why you wish to study there, your expectations from the program and your career goals.

➢ Note that some schools might not be “connected to the platform and you will need an additional admission outside of the platform. Usually, you will be required to apply also on the school website.

Please upload a supporting document for each exam you took (if English isn’t your native English).

Complete

I have studied English: first language

Other spoken language: Yoruba
18) Click on “I wish to apply” to return to the main page. Click on “Fill out the program cart” to select programs of your choice.

Electronic application is mandatory for institutions connected to Études en France. We advise you to fill out the form following the steps below:

1.1 - Personal information Incomplete

At this stage, please enter your personal information, academic background and professional experience, and your level of proficiency in English or French, depending on the language you will be studying in.

1.2 - Fill out the program cart

If you already know which programs you are interested in, you can apply by adding the programs to your cart. If you do not know which program you are interested in, consult the catalog on Campus France Nigeria or ask for a preliminary interview. Campus France catalog: https://www.campusfrance.org/en/finding-a-university-programme-france

1.3 - Submit the file to Campus France Nigeria

Please make sure you filled out the application correctly before you submit it to Campus France Nigeria.
STEP 2: **Fill out my application**

19) **Read** the “rules for the constitution of the program cart”, then **click** on “add a program”
STEP 2: Fill out my application

20) Click on the type of program, preferred field of study, region, department and city. Type in full the name of the preferred program and search.
STEP 2: Fill out my application

21) Search until you find your preferred program then click on “select”
STEP 2: Fill out my application

22) Select your preferred institution, then click on “select” and add the program to your cart.

For the following program: Licence Sciences et technologies mention Chimie parcours aa_Portail Louis Pasteur: Sciences de la vie - Sciences de la vie et de la Terre - Sciences sanitaires et sociales - Chimie.

- University of Aix-Marseille
  - UFR Sciences
    - Site de Aix-en-Provence
    - Site de Marseille - Luminy
    - Site de Marseille - St Charles

Review the selected program:
23) **Review the programs you have chosen carefully** then, proceed to write a **personal statement for each selection**.
STEP 2 : Fill out my application – Important tips

➢ Do not limit your application to 1 (one) program. Etudes en France enables you to apply between 2 (two) to 7 (seven) programs. This will increase your chances of being accepted. Note that all selected programs must be in the same or related field of study.

➢ Attention: Some schools required a parallel application. This means that, in some cases, you must also complete an application on the school website for your application to be considered.

➢ After selecting a program, always ensure to check the information about the program by clicking on “browse under the headline action” as this content important information such as the prerequisites, language of instruction, duration, cost, contact of the program coordinator etc....
STEP 3: Submit my file to be validated by Campus France

24) Once completed, return to the home page and click on submit

Electronic application is mandatory for institutions connected to Etudes en France. We advise you to fill out the form following the steps below.

1.1 - Personal information Complete
At this stage, please enter your personal information, academic background and professional experience, and your level of proficiency in English or French, depending on the language you will be studying in.

1.2 - Fill out the program cart Complete
If you already know which programs you are interested in, you can apply by adding the programs to your cart. If you do not know which program you are interested in, consult the catalog on Campus France Nigeria or ask for a counselling interview. Campus France catalog: https://www.campusfrance.org/en/finding-a-university-programme-France

1.3 - Submit the file to Campus France Nigeria
Please make sure you filled out the application correctly before you submit it to Campus France Nigeria.
STEP 4, 5 and 6

➢ Check your file regularly on the platform to know if it has been validated or if you have been asked to make any corrections.

➢ After your file has been validated, an email would be sent to you to make payment for the Campus France fee.

➢ After payment, kindly visit the platform and declare your payment or send the receipt of payment to infocampusfranceng@gmail.com if you reside in the north or infocampusfrancelagos@gmail.com if you live in the south.

➢ Once your payment has been validated, you will be authorized to book an appointment for your pre-admission interview.

➢ After the interview, keep checking the platform for decisions from the institutions you have applied to.
Bonne Chance!
